# 3 WAYS TO IMPROVE YOUR CREDIT SCORE

## Pay your bills on time

One foolproof way to improve your credit score is to pay your credit card on time. Set an alarm on your calendar, so you don't forget. Or even better, enable autopay.

## Check your credit report for errors.

Once a year, you can obtain a free credit report from each of the three credit bureaus: Experian, Equifax or TransUnion. Carefully look through your credit report to make sure there are no errors.

## Use an online app to monitor your credit score.

Online apps such as CreditKarma or Mint, are free, trustworthy ways to regularly monitor your credit score. These apps also give you personalized ways to improve your individual credit score.
