

## 5 SECRETS TO STAGING YOUR HOUSE FOR A QUICK RENTAL

So you've hit Craigslist , Zillow, Facebook, etc. and are having a hard time securing tenants. As a landlord, vacancies are one of the costliest and scariest experiences. Studies show that staged homes sell 70% faster than unstaged ones, so spending a little money on staging your rental property could pay off in the long run. Additionally, staging your rental property can help you maximize your rent in a competitive market.
