## Methods to Refer to Visio Lending

- 1 Send an Email**  
Use our template or customize your own email to send to investors you think might be interested in financing from Visio Lending.
- 2 Post to Facebook**  
Post a trackable link to your Facebook timeline or send a direct message. When Facebook Friends become qualified leads, you will be credited for the referrals and able to track them through our platform.
- 3 Post to LinkedIn**  
Like Facebook, you can post a trackable link or send a direct message to LinkedIn connections.
- 4 Post to Twitter**  
Use our tweet suggestions or customize your own tweet to reach all the landlords on Twitter with your trackable link.
- 5 Get a Personal URL**  
Talk about our Loan Programs wherever you want! This could be on your blog, your website, etc. Anyone who finds us through you, you will get credit for and be able to track.
- 6 Print Cards**  
Use our Referral Platform to generate cards you can carry with you about Visio. We love this method for events like Real Estate Investor Association (REIA) meetups or other real estate networking event.
- 7 Suggest a Referral**  
With this method, you can simply give us the name, email address, and phone number of investors you know who might be interested in Visio Lending. We'll take it from there; No marketing for you involved!
